

Pleurisy
Pleurisy and pneumonia are frequently developed, in a very short space of time, from a common cold; and, if such an acute inflammation of the lungs is not promptly allayed, the worst may happen. With the aid of Dr. Bull's Cough Syrup, however, you need not have any fear; for this great remedy speedily subdues the inflammation, eases the pain in breathing and always effects a cure in a wonderfully short time.

NEW YORK FIRE.
Clothing House of Rogers, Peet & Co.
Was a Roaring Furnace.

The Leases Are: Rogers, Peet & Co. Building, \$250,000; Home Life Insurance Co., \$500,000; Postal Telegraph Building, \$100,000.

New York, Dec. 5.—Fire broke out in the basement of the building occupied by Rogers, Peet & Co., clothiers, about 9:30 o'clock. The policemen standing within half a block of Warren street heard a loud explosion and a moment later saw a thin line of smoke curling up from the side of the Rogers, Peet & Co. building. At that time the rain was falling in torrents and the wind blew a gale. An alarm was sent in but before the first engine turned into Broadway the Rogers, Peet & Co.'s basement was a roaring furnace with great flames bursting through the floors above and rushing fiercely to the roof. Within ten minutes five alarms had been sent in, bringing engine after engine to the scene.

By 10 o'clock so rapidly and fiercely did the flames make progress that there was nothing but the shell of the Rogers-Peet building left with mountains of flames roaring a hundred feet in the air and encircling the adjoining structure, the Home Life Insurance Co. building. In the blinding rain the firemen worked, stretching the black and slippery lines of hose through the building, fighting the flames from every side. Soon a great wave of fire swept across Warren street and caught the United States Life Insurance Co. building at the west corner of Broadway, numbering 259 and 261. The woodwork on a dozen windows was afire in a moment, and from that time on several streams were played on this building to save it from destruction. When the Warren street wall of the Rogers-Peet building fell at 10:30 o'clock, a dozen firemen were directly beneath. Several of the men were struck by bricks; but none was more than slightly injured. Acting Chief Perle fell, but was dragged to safety by some of his men.

Just before 11 o'clock the Home Life Insurance Co.'s building, 16 stories high, at 255 and 257 Broadway, caught fire. The firemen already had their lines in this building up to the seventh floor. They were greatly handicapped by the many stories. Flames had eaten their way through the side wall in many places, and the huge white structure burned fiercely. The elevators made trips up and down until the men running the cages were compelled to flee for their lives and in this way many of the effects of the offices were saved. The three top floors were on fire almost simultaneously from the beginning. The smoke was dense. Flames shot high above the roof and over the massive brown stone postal building on the corner below. All the operators of the postal building and everybody at work in the structure had been ordered out of this building long before.

At 11:15 the postal building of 14 stories caught fire. Chief Bonner, who had charge of the firemen, took the elevator and went to the roof to give personal directions. At this time there were a few operators who had ignored the orders of the fire chief, two or three clerks and a few boys at work in the building in the stifling smoke, and messages were sent until the flames came and all were forced to rush for their lives. The unimportant messages were left at the telephone keys.

At 12 o'clock Monday morning the fire was still burning fiercely in front and, although not observable by the thousands of spectators, was burning still more fiercely and extending lower down in the rear.

An insurance man roughly estimated the losses at about as follows:
Rogers, Peet & Co., building and stock and losses to other tenants in the building, \$550,000.
Home Life Insurance Co., building and losses to other tenants, \$500,000.
Postal Telegraph Co., building and losses to other tenants, \$100,000.
Losses to surrounding buildings, \$50,000.

Chief Bonner thought that this estimate, on the basis of a million dollars loss, was about as near correct as it was possible to make.

At 2:30 o'clock Fire Chief Bonner went home saying that the fire would burn itself out in a short time, and that it could not spread, and was practically out.

THE FIFTIETH ANNIVERSARY
Brilliant Official and Religious Service in Washington Commemorative of Emperor Joseph's Ascension.

WASHINGTON, Dec. 3.—A brilliant official and religious service, commemorative of the 50th anniversary of Emperor Francis Joseph's ascension to the throne of Austria was held at St. Matthews church Friday. The ceremony was under the auspices of the Austrian legation and in recognition of its national character President McKinley and Secretary Hay were present in behalf of the United States government, while the foreign governments were represented by the full strength of the diplomatic corps. The church was elaborately festooned for the occasion, flowers and potted plants filling the chancel. As the official guests arrived they were met by the Austrian officials, Baron Reidl and Baron Paumgarten, in the stunning uniforms of the Austrian dragoons, and Dr. Theodorovich, representing the civil branch of Austria's staff. The president and Mr. Hay occupied the front pew to the right of the chancel, while across the aisle sat Sir Julian Pauncefote, British ambassador, and Count Cassini, Russian ambassador, in their richly embroidered uniforms.

PHILIPPINE INSURGENTS.
Interesting Information Bearing on Their Condition—There Are Many Well Educated Men Among Them.

WASHINGTON, Dec. 3.—A private letter received from Manila, dated October 22, gives some interesting information bearing on conditions in the Philippines. At that time the insurgents had a line of troops outside the American lines and would not permit the latter to pass through. They had seven steam launches, and a rumor prevailed that they thought of trying to capture an American man-of-war. It was reported that Adm. Dewey took away all their launches just a few days before the letter was written. The writer adds:
"The insurgents are not a bad people; they have been oppressed for ages by the Spanish, who treated them most brutally and shot many to death on mere suspicion. There are many well educated and intelligent men among them, and as I love liberty I feel a deep sympathy for them."
Since the city has been cleaned up the bad smells have disappeared and the health of the troops has improved.

REGULAR ARMY ENLARGED.
Gen. Miles Has Prepared the Draft of a Bill Providing for an Increase to One Hundred Thousand Men.

WASHINGTON, Dec. 3.—Gen. Miles, commanding the army, has prepared the draft of a bill providing for a regular standing army of 100,000 men. The bill, it is said, will provide for an organization of 12 companies to the regiment, with an arrangement for a third lieutenant for each company in case of need for that officer. It will contain provision for a staff corps largely in accordance with the recommendations of the heads of the various bureaus as recommended by them in their annual reports. Chairman Hull, of the house committee on military affairs, intends to present the measure in congress at the first opportunity.

SEVERE FIGHTING IN YAMEN.
The Turkish Troops Reported to Have Suffered a Serious Defeat Between Hedda and Sana.

CONSTANTINOPLE, Dec. 3.—It is reported that there has been renewed fighting in Yemen, the principal division of Arabia, one of the chief towns of which is Aden, the British naval station, on the gulf of that name. The Turkish troops are said to have suffered a serious defeat between Hedda and Sana.

The rebels in the Tais district are said to have hoisted the British flag. The Turkish officials here are reticent regarding the outbreak.

WINE OF CARDUI
THE NEW WAY.

WOMEN used to think "female diseases" could only be treated after "examinations" by physicians. Dread of such treatment kept thousands of modest women silent about their suffering. The introduction of Wine of Cardui has now demonstrated that nine-tenths of all the cases of menstrual disorders do not require a physician's attention at all. The simple, pure

taken in the privacy of a woman's own home insures quick relief and speedy cure. Women need not hesitate now. Wine of Cardui requires no humiliating examinations for its adoption. It cures any disease that comes under the head of "female troubles"—disordered menses, falling of the womb, "whites," change of life. It makes women beautiful by making them well. It keeps them young by keeping them healthy. \$1.00 at the drug store.

For advice in cases requiring special directions, address, giving symptoms, the "Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.

W. L. ADDISON, M.D., Cary, Miss., says: "I use Wine of Cardui extensively in my practice and find it the most excellent preparation for female troubles."

RELIABILITY
Is a quality some newspapers have lost sight of in these days of "Yellow" Journalism. They care little for the truth and a great deal for temporary sensation. It is not so with The Dispatch. The success of The Dispatch rests upon its reliability. It prints the news—all the news—and tells the truth about it.

ITS WAR NEWS SERVICE
Can not be excelled. It is gathered by forty-two war correspondents and eight fast dispatch boats at the seat of war, and a salaried correspondent in every important city in the world.
The most critical period of the war will be during peace negotiations. Get the paper that tells the truth.
OUR MOTTO: If you see it in The Dispatch it's so, and if it's so it is always in The Dispatch.
The Dispatch news service is now furnished by The New York Sun, The Chicago Inter-Ocean, The Northern Press Association, The Leslie Syndicate and a staff of correspondents in Kentucky, Tennessee and Indiana second to none on a Southern newspaper.
We club with The Weekly Louisville Dispatch; both papers one year for the low sum of \$1.25.

For the benefit of the Post readers I give you the following facts concerning the world renowned Safe Cure, made by Warner's Safe Cure Co., Rochester, N. Y. For many years my mother had been a terrible sufferer of a heart disease and liver complaint, and many times it looked as if death was near. Four months ago I procured two trial size bottles of Warner's Safe Cure and she began its use. After using the two, she was greatly relieved and seemed to be on the road to recovery. I procured two more trial bottles for the special case, she began its use, and she consumes these two I am sure I shall see her well, healthy and stout woman, as in her youth. They will send a trial size bottle for 25 cents, remit in express or Postoffice money order. W. B. Wynn, Sergeant, Ky.
